CATALOG

Nateen pay high attention to the quality control and devote ourselves to improvement of production engineering control level and innovation of product technology

Today NATEEN® provides high quality products to millions of customers in more than 100 countries through production and distribution with affordable prices to all markets.

THE COMPANY

PRODUCING

Our production team is trained to work to a high quality standard to ensure a consistent quality product.

INNOVATING

Our R&D department is constantly looking for improvements and new developments to ensure we are increasing our customer's competitiveness.

LOGISTICS

Thanks to our high daily sales volumes we benefit from best freight prices which is a benefit shared with our customers.

Strict production control to ensure quality consistency.

Environmental and social commitment is part of our profitability.

Compliance with high healthcare standard.

Attest the biocompatibility of our product. Tested in Germany.
